There are certain security, corruption, virus, worm, interception, tampering, confidentiality, privacy, transmission error, delay and access availability risks associated with using open insecure networks such as the Internet (including the use of Internet e-mail) for transmission of information including but not limited to reports, statements and confidential and value bearing information. Information can be altered or changed during the process of transmission by Internet e-mail, and, use of Internet e-mail for transmission of financial information is not a standard means offered or recommended by JPMorgan. JPMorgan shall have no responsibility or liability whatsoever for any alterations or changes to, or any errors in, information transmitted by Internet e-mail. All information sent via Internet eMail is at the request of the recipient/client and all risks associated with such mode of transmission (whether they arise from the unsecured nature of Internet e-mail or from the non-standard process involved in collating and sending such information through such mode) are the risks of the recipient/client.

This transmission may contain information that is privileged, confidential and/or exempt from disclosure under applicable law. If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution, or use of the information contained herein (including any reliance thereon) is STRICTLY PROHIBITED. If you received this transmission in error, please immediately contact the sender and destroy the material in its entirety, whether in electronic or hard copy format. Thank you.
